In brief

The best minimum recharge to maintain outgoing validity for Airtel, Vodafone, and Idea is the Rs. 35 pack, which offers 28 days of validity across all three networks.

Last month major telecom companies in the countries such as Airtel, Vodafone idea introduced the compulsory minimum recharge for their users. As a result each and every customers need to do a recharge of any validity pack to keep their number active with incoming and outgoing calls.

Users failing to do so will be blocked from making outgoing calls first, then the incoming facility will also be blocked. If you wish to know more about, you can read that here. As per the new rule, user need to recharge every month to enjoy the service.

We already published the list of all the available recharges to keep the number active. Here we will check the best and least available recharge available for Airtel, Vodafone and Idea to keep the incoming and outgoing call facility active.
