In brief

The current minimum validity recharge for Airtel is Rs. 79, which provides 28 days of validity along with Rs.

As we are all doing the validity extension recharges for each SIM for the past few months. The private telecom companies made it mandatory to do minimum recharges every month to keep the number active. Here we are checking how to increase the validity of Airtel SIM with the validity extension recharges. Let us check the validity recharge for airtel and see what airtel incoming validity recharges are.

Update: The current minimum recharge with the smart pack is Rs. 79. The minimum recharge plan of Rs. 35 and the later Rs. 49 plan is discontinued.

Like all other telecom companies, Airtel users also need to use the minimum recharge plan or an unlimited plan every 28 days to get the incoming and outgoing facility on the number. Failing to do so will result in blocking Outgoing calls first, followed by the block of incoming calls, and finally disconnection of the number after a certain period.

List of Airtel SIM validity extension recharges

Following are the list of minimum recharge vouchers for Airtel users so that the incoming and outgoing calls will not get blocked.

Plan 79 With 28 Days Validity (As on August 2021)

The best available smart pack is Plan 79 which is a replacement for the previous 49 Plan. With the recharge of 79, users will get a validity of 28 days along with Rs. 64 Talktime. The pack also offers 200MB of data. You can make calls using the Talktime balance and the charge will be 1ps per second.

1. Rs. 45 Minimum Recharge Plan with 28 days validity (Discontinued)

Plan 45 is the lowest available recharge which can be used to increase the validity of Airtel SIM. With the recharge, the validity will be extended to 28 days. No additional benefits or talk time is available with this plan. Users can make calls at 2.5 paise per second using the main balance, and the SMS rate will be Rs. 1 per SMS.

2. Rs. 29 Plan with 500MB Data (Discontinued)

This plan will give users a validity of 28 days along with 500MB of mobile data. No additional benefits such as discounted call rates or talk time are available in this plan. This plan is not looking good for any users as it just providing 500MB of data without any additional benefits.
