In brief

One of the popular and cheap, truly unlimited calling plans from the telecom, the airtel unlimited calling plan 99, is only available only in a selected circle. The company introduced this plan along with Plan 129 and Plan 199.

One of the popular and cheap, truly unlimited calling plans from the telecom, the airtel unlimited calling plan 99, is only available only in a selected circle. The company introduced this plan along with Plan 129 and Plan 199.

Airtel Unlimited Calling Plan 99

Plan 99 is one of the truly unlimited calling plans Airtel is providing to its customers. With this plan, customers will get 1GB data and 100 SMS and unlimited calling throughout the validity.

The validity period of unlimited plan 99 is 18 days. As mentioned before, the plan is available only in the selected circle, including West Bengal, UP East, Kolkata, MP, Bihar, Jharkhand and Chattisgarh, Orissa, and Rajasthan.

The other two plans, like plan 129 and plan 199, are available to all the circles, including those circles with 99 unlimited plans.

Airtel Unlimited Calling Plan 129

Plan 129 comes with almost the same benefits as Plan 99; however, the validity is 24 days. The benefits include unlimited calls, 300 SMS, and 1GB data.

Airtel Unlimited Calling Plan 199

Plan 199 comes with unlimited calling benefits and 100 SMS per day, along with 1GB data per day. The validity of the plan is 24 days.
