### In brief

Of late, you do not have to pay for watching your favorite movies and TV shows. With several free movie streaming apps available in the market, you can easily watch and download any movies.

Of late, you do not have to pay for watching your favorite movies and TV shows. With several free movie streaming apps available in the market, you can easily watch and download any movies. All these apps are legally and totally free for sure. Are you looking for the best 3 free movies steaming app for yourself? If yes is your answer, then here are some of the best free movie streaming app for you to download right now itself.

### Tubi TV

Tubi TV is one of the famous free movie streaming apps available in the market for users. It has a clean and simple user interface for the users. You should note that it includes several free latest movies and also sorted into categories like comedy, romance and horror movies. It is also possible to browse through the most famous and featured movies. You do not have to worry about the quality of videos as they all are of high quality for sure. Also, movie player works smoothly without any issues. It would be better for you to understand that all films will be having subtitles. By logging in, you would get the option to add movies to your queue, which can be easily accessible across devices and also on the web version of Tubi TV.

### Popcornflix

Popcornflix is also one of the popular movie streaming apps which provides a great collection of horror, romantic and comedy movies to the users. You would be able to see the new arrivals movies right on top and also sort out the movies by category. You should note that Popcornflix has exclusive content which is known as Popcornflix Originals. The movies are of great quality and streaming works great. The movie player is smooth and feature-rich. With the help of this app, you can easily stream the TV series without paying anything. The user-interface of this app is very simple and easy to understand for the users. You are not going to face any issues while using it for sure.

### Sony Crackle

Sony Pictures is a reputable name in the movie industry, and when it comes to watching high-quality movies online, Sony Crackle is the only best free movie streaming app available for you. With the help of this famous app, you can watch the best collection of free movies with a mix of new hit movies and old classics movies. You should note that the move player is very easy to use and works smoothly without any hassle. All the free movies are ad-supported so that you would have to watch a few ads for sure. These ads are not intrusive and seem like a genuine price to pay for the type of content this app offers. You can also watch TV shows online for free.

Finally, you are aware of the best 3 free movie streaming apps which you can download right now on your smartphone. So, what are you waiting for? Enjoy watching your favorite TV shows now!
