Nowadays, gamers can check out a number of great games for the Nintendo switch. These switch games are fun to play and you would love to enjoy new characters and unique features for sure.

There are different varieties of games to select from the Nintendo entertainment system as per your preferences like Pokemon, Animal Crossing, and many more. With so many options available for gamers, it becomes difficult to choose a better one for sure. If you are looking for the best Nintendo Switch games to play in your free time? Then here you would come to know about the best 5 Nintendo switch games you should be aware of! Let's go through all those games right now!

The Legend of Zelda: Breath of the Wild

The Legend of Zelda: Breath of the Wild is one of the most famous and widely played Nintendo switch games available for gamers all around the world. As a gamer, you would love to explore the massive and gorgeous open-world for sure. You need to go through several puzzles, dungeons and even cook some food or simple paraglide around the skies.

This game is fun to play with Nintendo Switch Pro and is also known for its attractive graphics and sound quality. While exploring the open world, you would also come across many beautiful mountains and every hidden path will allow you to go for a new adventure. With a gorgeous art style, tons of challenging puzzle shrines, and great boss battle, there is a better reason why many prefer playing only Breath of the Wild.

Super Mario 3D World + Browser's Fury

This Nintendo switch game is also one of the most popular and greatest games for young kids ever made. The game is simple to play and there is no need to go through any reading before playing this game. The levels are open, well designed, and forgiving.

You can play Super Mario 3D world with your lovable kids, and play Browser's Fury when they go to school or bed. This game is also a combination of expansion and remaster, this two-in-one package will offer you the better and joyful platform you expect from any game you play for sure.

While playing this game, you would be able to collect stamps throughout your adventures and use all those stamps in Snapshot Mode to create masterpieces to share with your family and friends. You can even select from Mario, Peach, Luigi, and Toad to save the entire kingdom.

You should note that each game has a different playstyle as Peach can float and Luigi can jump high for a short time. Later, you can get the Rosalina character also in the game. It is easy to dash, jump and pounce to meet the goal at the time of getting coins, Green Stars, and power-ups.

Super Mario Odyssey

Super Mario Odyssey is the most inventive and expansive 3D adventure game which would give you a series of unique designed sandbox worlds fully filled with great secrets. If you prefer playing only the adventure games where you want to explore all the hidden secrets present in the game, then it is the right time to play Super Mario Odyssey without any second thought for sure.

You should note that this switch game offers a joyful discovery whether you are accessing control of Goombas stack with your hat or warping into a wall for Mario gameplay. Super Mario Odyssey is gorgeous, easily accessible, and a great game to play with no shortage of perfect surprises. It is one of the best Nintendo Switch games available for you to try.

The Witcher 3: Wild Hunt - Complete Edition

This Nintendo switch game is considered to be the most beloved role-playing game of this generation and later landed on Nintendo Switch. As the name suggests, this game is known for providing a fully open-world adventure where you need to cross every level carefully before proceeding further for the next steps.

You would be going through the same massive world, the perfect story with satisfying combat and branching narratives which would make this game more memorable for sure. Also, you would get the chance to visit the corrupt and beautiful city of Novigrad and challenge the dark forces roaming the forlorn. If you are not keen on Nintendo's usual family-friendly titles, then it is the right time to play this best Nintendo switch game.

Luigi's Mansion 3

This game is totally based on a ghost-hunting vacuum and the perfect game for horror game lovers all around the world. It is one of the perfect Nintendo ds Switch games you can try and purchase as you would get a toybox of new specter-slaying tools to try. Also, you would get the chance to explore a labyrinth hotel which is King Boo's newest haunted mansion.

There is a special addition of Gooigi, Luigi's gooey, which clearly means that you would get two characters at once for sure. You can check out new combat moves such as a perfect ground slam and there will be no shortage of challenging and memorable boss fights.

The game has a tonne of improvements that feel natural and make for better puzzles. The graphics are amazing and the sound quality of the game is perfect. By going through the positive reviews of this Nintendo Switch game, it has been proved that Luigi's Mansion 3 is one of the perfect games you need to consider in your gaming list for sure. If you are only looking for a breezy adventure game, then you should try Luigi's Mansion 3 right now.
