In brief

Reliance Jio now becomes the best mobile network in India for International Roaming Service. Jio's new International roaming rates was unbeatable by any other mobile network in India now.

Reliance Jio now becomes the best mobile network in India for International Roaming Service. Jio's new International roaming rates was unbeatable by any other mobile network in India now. As per the revised rates, Jio Customers can enjoy International Roaming service starting from Rs. 2 for call, sms and data. Jio reduced the rates on Prepaid connection too at the same time, company introduced the post paid plan. Now, both prepaid and postpaid having the same rates.

Jio Customers can enjoy the service without any subscription or any monthly payment, only thing to do is to activate the International Roaming service on your number. For activating the International Roaming service, customers need to do a recharge of any of the 4 available International Roaming plan for the first time. And also, while doing the recharge for the International roaming for the first time, your Jio number should be under Jio network, ie. the number should be in India itself. All the subsequent recharge can be done from anywhere, no need to be in India or Jio Network. Also, the International Roaming pack also is not mandatory for the subsequent periods. if you need the unlimited benefits, only you have to recharge again, otherwise the balance will be taken from the main account itself.
