In brief

Reliance Jio has announced the Jio News app for Android and iOS users. The Jio News app features news from several online publications and also offers a vast collection of Indian newspapers and international magazines.

Reliance Jio has announced the Jio News app for Android and iOS users. The Jio News app features news from several online publications and also offers a vast collection of Indian newspapers and international magazines. It also offers direct access to many TV channels and the latest and breaking news videos from the web. You should note that the service is mainly available in 13 languages, including Hindi, English, Bengali, Marathi and more to the users. If you are comfortable in Punjabi or any of your mother tongue languages, then you can avail of the service in your regional language without any issues. As per the latest statement by Reliance Jio it will use machine learning to suggest an article to the users.

The Jio News app is mainly divided into four sections which include Home, News, TV& Video and Newsstand. It also offers digital copies of more than 300 local newspapers and more than 200 news channels. The users of the app will have premium access to all the latest features of the app for sure. All the non-jio users would be able to access all the elements in the app by logging in to it only during the trial period. The user-interface of this app is very simple and easy to understand for the users. You are not going to face any issues while using it for sure. You would get the trending topics notifications on the top of the screen so that you will never miss anything.

As a user of this app, you would be able to read from 800+ Magazines which includes General Knowledge, Current Affairs, Filmfare, Maxim India, Chompak, Readers Digest and many more. Also, there is a Newsstand section to allow users to read newspapers and magazines without downloading them on the devices. By using this great app, you would get the great ability to read newspaper archives and magazine issues from the past easily without any hassle. Now, you do not have to pay anything for reading newspapers and magazines anymore for sure. Just use the JioNews app and you will get everything whatever you are looking for.

With the help of the JioNews app, you can read all the popular newspapers without paying anything. It covers almost 300+ leading ePaper which includes Mid-Day, Business Standard, Hindustan Times, Sakshi and many more. If you want to watch the news and live video, then you can easily watch all the news channels by using this app. It includes all famous channels like NDTV, India TV, Aajtak, ABP, Times Now, Republic TV and many more. For cricket fans, this app is really great and helpful for knowing live cricket scores and various sports updates. You would get the instant cricket scores and several notifications regarding your favorite match.

The app is available to download for both Android and iOS users through the Google Play Store and Apple App Store. It is also accessible on the desktops as a Web-based service. So, what are you waiting for?

Download it right now for Android and IOS device!
