In brief

Are you a Nintendo Switch game fan ready to take your experience to the next level in 2023? If yes, look no further; you are at the right place.

Are you a Nintendo Switch game fan ready to take your experience to the next level in 2023? If yes, look no further; you are at the right place. We have brought you the Best 10 Nintendo Switch Games in 2023.

The Nintendo Switch is the latest home video game console, a hybrid gaming system that can act as both a home console and a portable device. Since its release in 2017, Nintendo Switch has established a large user base gaining immense popularity. The platform has something for every gamer: action-packed adventures, charming and whimsical worlds, or classic gaming options.

But are you confused about which Nintendo Switch Games you should try in 2023? Well, relax since we have got you all sorted. This article consists of a list of the Top 10 Nintendo Switch Games of 2023 that will provide you with endless hours of entertainment. So just grab your console and start diving into some of the most exciting, engaging, and captivating games. We guarantee you a whole lot of fun.

1. The Legend of Zelda: Breath of the Wild

The Legend of Zelda: Breath of the Wild has been there since 2017 and is still the best Nintendo Switch Game you can play. This action-adventure game took no time to become the most critically acclaimed game ever on Nintendo Switch. The game features an open-world setting and follows the story of Link. Link awakens from a 100-year slumber and is ready to defeat Calamity Ganon to save the Hyrule kingdom. The game offers players a vast and immersive world to explore. It has breathtaking landscapes, challenging puzzles, dangerous enemies, and more.

Breath of the Wild features a physics engine allowing gamers to use creative problem-solving and gameplay. Besides that, it also features a crafting and cooking system that adds more depth and interest to the gameplay. Overall, it is a masterpiece of game design and is there to stay year after year.

2. Mario Kart 8 Deluxe

Mario Kart 8 Deluxe is a kart racing game and by far the best racing game developed by Nintendo. Of all the versions, the upgraded Mario Kart 8 was released in 2017 for the Nintendo Switch and, since then, has been quite loved. It features multiple Mario universe characters, from Mario and Luigi to Donkey Kong and more. The game also features a range of modes, including Battle Mode, Grand Prix, Time Trials, etc. While in the game, players can customize their karts using different parts that suit their playing style.

Mario Kart 8 Deluxe allows playing with four players locally and twelve players online (up to). Since its release, it has been praised for its refined gameplay mechanics and graphics. However, what makes it one of the best racing games of all time isn't just the experience but also the multiple awards. For a fan of the Mario franchise, Mario Kart 8 Deluxe is a must-play Nintendo Switch Game in 2023.

3. Animal Crossing: New Horizons

Animal Crossing: New Horizons is a popular simulation game and one of the best picks for 2023. This exciting game has a deserted island setting where gamers can develop and customize things according to their liking. As you will move forward, you will be able to collect resources and craft items. Gamers can also interact with a cast of charming animal characters.

Animal Crossing: New Horizons is known for its relaxing gameplay, adorable graphics, and immersive world-building. The game also allows players to create custom designs, host virtual events for real-life achievements, and much more. Undoubtedly, it has also become a cultural phenomenon. Animal Crossing: New Horizons is a delightful and engaging game, and for endless hours of entertainment, do give it a try in 2023.

4. Super Mario Odyssey

Super Mario Odyssey is a 3D platformer game released in 2017 and, since then, has been amongst the most popular titles on the Nintendo Switch console. While playing Super Mario Odyssey, gamers take control of Mario while he travels around to save the main antagonist Princess Peach from Bowser. The platform features different gameplay mechanics, including puzzle-solving, traditional platforming, exploration, etc.

The game also allows players to control Mario's partner, 'Cappy,' and interact with the environment while possessing certain enemies granting them unique abilities.

Super Mario Odyssey is quite a hit for its engaging gameplay, nostalgic nods, and stunning visuals. It has also won numerous awards, including the 2017 Best Console Game Critics Award. Super Mario Odyssey is a must-try for a fun and challenging experience on the Nintendo Switch.

5. PokØmon Legends: Arceus

PokØmon Legends: Arceus is another action role-playing video game. It was developed by Game Freak and published by The PokØmon Company for the Nintendo Switch. The game covers the Sinnoh region and goes back into the time before the events of early PokØmon games. It introduces a new gameplay style, combining action and exploration while keeping the traditional PokØmon RPG elements alive.

Players can take on the role of a PokØmon trainer and set out to create the first PokØdex in the Sinnoh region. While in the game, players can explore the vast and open world of the region. They can also catch and battle PokØmon along the way. Its new battle system allows gamers to throw PokØ Balls while aiming for specific parts of a PokØmon's body. It is a fresh and exciting take on the PokØmon franchise.

6. Metroid Prime Remastered

Metroid Prime Remastered is another classic Nintendo Switch game. It takes players on an immersive sci-fi adventure and thus is a must-try in 2023 if you haven't yet. Retro Studios developed the game. It was originally released for the Nintendo GameCube in 2002; however, this latest remastered version is more about stunning visuals and immersive gameplay than the modern Nintendo Switch console.

While on Metroid Prime Remastered, gamers can take on the role of Samus Aran. Further, take this bounty hunter to explore a mysterious planet while trying to stop the group of space pirates from using the powerful weapon that can take over the galaxy. Metroid Prime Remastered features a first-person approach and exploration-based gameplay, making it a unique and thrilling experience. In addition, its improved controls and updated graphics will impress newcomers and long-time fans.

7. Splatoon 3

Splatoon 3 is a third-person shooter video game released on September 2022 while being developed and published by Nintendo. It allows gaming enthusiasts to control Inklings, humanoid characters that can transform into squid. Splatoon 3 has all new mechanics and features, including game modes, maps, weapons, etc. However, its most significant change is the 'Turf War' mode addition. It is where two teams of four players join to compete to cover the most territory using their ink.

Splatoon 3 also features a new single-player campaign. It allows gamers to navigate through levels while they can defeat bosses and save Inkopolis. Splatoon 3 is undoubtedly a gameplay with colorful visuals and exciting new content.

8. Xenoblade Chronicles 3

Xenoblade Chronicles 3 is another action role-playing game for Nintendo Switch 2023, developed by Monolith Soft. The game is the third installment in the Xenoblade Chronicles series and was released in 2022. It features a vast open world for players to explore. In addition, it also offers an immersive story with rich character development. While in the game, players can control a group of characters with unique abilities.

Xenoblade Chronicles 3 comes up with new gameplay mechanics. It offers the ability to switch between parallel dimensions, one of the most exciting features. This can directly affect the story of the game and unlocks new areas to explore. Xenoblade Chronicles 3 has beautiful graphics and thrilling gameplay. Try it for a unique and immersive RPG combat experience on the Nintendo Switch.

9. Kirby and the Forgotten Land

Kirby and the Forgotten Land is a 3D platformer game quite popular amongst young gamers. HAL Laboratory developed it for the Nintendo Switch. The game is set up in a post-apocalyptic world. It is where Kirby explores the ruins of a once-great civilization while uncovering its secrets to restore the land to its former glory. While playing Kirby, players can navigate various environments, solve puzzles, and battle enemies. Kirby uses his trademark copy ability and inhales and gains the powers of his foes. It also features co-op gameplay where players can collaborate with other gamers to tackle challenges. Kirby and the Forgotten Land is popular for its charming graphics, engaging gameplay, and nostalgic nods to the earlier version.

10. Fire Emblem Warriors: Three Hopes

Last but not least is the Fire Emblem Warriors: Three Hopes. This hack-and-slash action game is developed by Omega Force for the Nintendo Switch console. It is basically a sequel to Fire Emblem: Three Houses and Fire Emblem Warriors. The game features different sets of characters from Fire Emblem games like Awakening, Three Houses, Shadow Dragon, and more.

While playing Fire Emblem Warriors: Three Hopes, gaming enthusiasts can control a team of warriors. They can further engage in large-scale battles against hordes of enemies. The game also features a story mode following the heroes from Fire Emblem Three Houses. Unlike many Nintendo Switch games, it also comes with a free mode.

It allows players to choose their team of characters while they decide to battle against various enemies. Fire Emblem Warriors: Three Hopes is loved for its fast-paced gameplay. Its impressive visuals and diverse cast of characters surely make the game an exciting adventure to enjoy.

Wrapping Up

These were the Top 10 Nintendo Switch Games you can play in 2023. While a few are old 2017 releases, the list also features some latest 2022 releases. Try them once before you decide on your favorite 2023 Nintendo Switch Game.
