### In brief

Lenovo's camera smartphone Vibe Shot is able to capture better snaps with its camera. The phone is provided with a 16MP rear camera with Optical Image Stabilization (OIS) and an Infra Red (IR) sensor for better focusing.

Lenovo's camera smartphone Vibe Shot is able to capture better snaps with its camera. The phone is provided with a 16MP rear camera with Optical Image Stabilization (OIS) and an Infra Red (IR) sensor for better focusing. The phone is also given a tri color LED flash to take real color picture.

Here are some sample images taken using its rear camera
