In brief

A few years back, most Indian debit cards couldn't be used for international transactions, especially on Google Play Store, Paypal, Skrill, Neteller, etc. However, now things have changed, and you can use almost all the cards powered by Visa and Mastercard for International transactions.

A few years back, most Indian debit cards couldn't be used for international transactions, especially on Google Play Store, Paypal, Skrill, Neteller, etc. However, now things have changed, and you can use almost all the cards powered by Visa and Mastercard for International transactions. However, some cards issued in India, powered by Rupay, can only be used for domestic transactions. Following is the list of various banks and their cards that supports International Payments.

Before listing all the International Banks Cards, we want to answer a few questions from our readers.

Which Indian Bank Supports Skrill

Since Skrill is one of the most popular payment solutions, most banks in India support Skrill too. You can use SBI, HDFC, ICICI, Axix Bank, Kotak Bank cards for the payments via Skrill.

Neteller Friendly Banks in India

As listed above, cards issued by Indian banks like SBI, ICICI, Kotak Bank, Axis Bank, etc., work well with Neteller.

Which bank is best for international transactions in India

The best bank in India for international transactions includes Kotak, Axis, SBI, HDFC, ICICI.

PayPal Supported Banks

Almost all the banks in India also support Paypal. However, to receive payments from Paypal, we recommend SBI, which is faster than any other bank accounts.

Can we get Paypal debit card In India

No, Paypal prepaid card powered by a master card is available only to US customers. In India, you need to use the debit card issued by an Indian bank.
