What happened

Moto G's 1st generation phone is back in stock. The smartphone has got a good response in the market and also achieved a record breaking online sales in Indian mobile market and is now back in stock on Flipkart.

Moto G's 1st generation phone is back in stock. The smartphone has got a good response in the market and also achieved a record breaking online sales in Indian mobile market and is now back in stock on Flipkart. The good part of the news is that the price of the mobile also has slashed to a price of Rs. 8999 for 8 GB version and 9999 for the 16 GB version. In the beginning the handset was sold at a price of Rs. 14000 and with the entry of Xiaomi handset in the market, the price were slashed to Rs. 11999. Then the 2nd generation of the model reached in the market. Now due to the large number of demand, the handset now reintroduced in the market.
