In brief

Peacock TV is an ad-based free streaming service that offers excellent quality content to its US users. The company follows a strict rule; hence, its user's device must be physically located in the US to enjoy the service.

Peacock TV is an ad-based free streaming service that offers excellent quality content to its US users. The company follows a strict rule; hence, its user's device must be physically located in the US to enjoy the service. That is why several users are experiencing the US roaming rule issue while watching peacock content abroad.

Apart from the free content, Peacock offers premium content as a part of the premium subscription with and without the ads. Now the company is offering the premium pack at great pricing. Peacock offers the premium plan at \$1.99 per month for a limited period. The great thing about Peacock Premium is that you can try the Peacock Premium Trial before making the purchase.

In this article, we will check what Peacock offers in the \$1.99 premium pack and its difference from the Plus Pack.

Peacock Premium and Plus Pack

Peacock is offering two paid plans for its users. Both plans provide additional premium content. However, the plus version is entirely ad-free, whereas you may still see ads in the premium low-cost plan.

Peacock Premium Plan at \$1.99 per month

Peacock offers a premium plan at a low price of \$1.99 per month. However, per the company, the plan is available for a limited period and only for new customers.

The Premium Plan plan offers over 80,000+ hours of content, including peacock originals, new movies, live sports, events, etc. The monthly subscription costs \$1.99, and you will get an additional discount if paid annually. The annual subscription for the Peacock Premium plan is \$19.99

One thing to be noted here is that the premium plan contains ads, and you need to upgrade to the premium plan to enjoy ad-free entertainment and the download option.

Peacock Premium Plus Plan

Peacock Premium Plus Plan is the ad-free option available with Peacock. This plan offers all the Premium plan features along with Ad-free entertainment and download option. Premium Plus Plan is the regular plan available and is open for both new and existing Peacock users.

Peacock Premium Offer Validity

Peacock Premium Offer plan is available for a limited period, and the plan's validity is for 12 months. So for the 1st 12 months, you can enjoy the discounted rate. After that, premium users either need to downgrade to a free plan or upgrade to the Premium Plus Plan.

Users can also cancel the subscription at any time they want.

Can I get the Peacock Premium Limited Time Offer Multiple Times?

No, the limited-time discount plan is available only once, and if you have already subscribed to that, you can't get it again. In that case, it would help if you used the free plan or the premium plus plan.

Can an Existing Premium User Get the Offer Plan?

No, the limited-time offer plan is only available to new paid users and not existing ones. You must be on Peacock Free Plan to get the limited-time Peacock Premium Plan.
