In brief

Rebtel offers unlimited free voice calls to US numbers through its mobile app, available for both Android and iOS devices. To get started, download the Rebtel app, sign up with your mobile number, complete OTP verification, and activate the "United States Unlimited" plan from the Free Product section.

If you are looking for unlimited free US calls, then we have Rebtel as the best choice. Here we show how you can make free unlimited voice calls to US numbers without spending a single penny.

Rebtel offers a new free unlimited US calling plan available without any credit or debit card.

Free US Voice Calls

As we all know, Google Hangout offered free unlimited voice calls to US numbers using the most popular Hangout Dialer app. Unfortunately, Google announced that they are discontinuing that, and the Hangout will be merged with Google Voice.

Google Voice is only available to users in the United States, and hence google will eventually discontinue the free calling. So, the users are looking for an alternative for Google Hangout.

Rebtel offers free unlimited voice calls to US Numbers

Rebtel is not an exact replacement or alternative for Google Hangout and Hangout Dialer, but it can be considered an alternative for Hangout Dialer to make free US Calls.

How to make free calls to US numbers using Rebtel

Step 1: Download Rebtel App from Play Store for Android or from App Store for your IOS device.

Step 2: Signup for a Rebtel account using your mobile number.

Step 3: Mobile number will be validated using the OTP. Mobile number validation is essential to use the service.

Step 4: Once the signup process is completed, you can check the available plan or offers to start using the service.

Step 5: Search for the United States Calling Plan, and you can find the 'United States Unlimited' calling plan under the 'Free Product' section.

Step 6: Click on the 'Get this Offer' button to add the free unlimited United States Calling Plan to your account.

Done, now the free unlimited united states calling plan is active, and you can make free calls to any US number.

Rebtel uses your mobile number, which you used during the signup process, as the caller ID. So the receiver in the United States will see your mobile number once you make a call.

So, as mentioned above, now you can use Rebtel as a good alternative for Hangout Dialer to make free calls to the United States.
