? What Are Cali Shootout Codes?

Cali Shootout, also known as Crimelife, is a role-playing game set in a crime-ridden version of California where players take on the roles of gang members, civilians, or police officers. The game involves combat, faction wars, turf takeovers, and real-time strategy.

To help players survive and thrive, the developers release redeemable promo codes from time to time. These codes provide in-game Cash, which is essential to purchase:

- Weapons and ammo
- Vehicles
- Properties and safehouses
- Body armor and protection gear
- Cosmetic and accessory items

? Pro Tip: If you're eliminated in the game, you'll lose all your weapons - so keeping a cash backup is not just helpful, it's necessary.
