## In brief

Tata sky is launching new and attractive packs each and every day. The latest addition to this is the new Tata Sky Lite Pack, which is available in Hindi, Tamil, Telugu, Kannada regional languages.

Tata sky is launching new and attractive packs each and every day. The latest addition to this is the new Tata Sky Lite Pack, which is available in Hindi, Tamil, Telugu, Kannada regional languages. Last week the DTH provider came with a bunch of packages including both regional and English packs. Even with the beginning of IPL Season 2019, the company offered free preview of star sports channels for its users which they later withdrawn.

In order to target the regional users with budget friendly packages, the company launched new packs called Tata Sky Smart Pack which is now available in regional languages. The pack starts from Rs. 206. Now the provider is offering new pack named Tata Sky Lite pack. The pack is available in Hindi and other regional languages. For Hindi channels, there are Hindi Lite HD and Hindi SD pack is also available.

The new Lite pack from Tata Sky is mixed with both free and paid channels. The new pack can be added by any users to their existing package and the corresponding pack value to be paid.

## Tata Sky Lite Packs

The lite pack is available in Hindi, Kannada, Telugu, Tamil languages. There is both SD and HD version available for Hindi Pack. All the packs are priced at Rs. 46 and along with the basic NCF charge, user needs to pay Rs.199 in total. But for Hindi pack, the price is a bit higher, since it comes as PAN India Plan.

**Hindi Lite SD Pack** - This pack is priced at Rs. 295 per month including NCF in which users will get 60 channels and services.

**Hindi Lite HD Pack** - HD Lite pack available in Hindi is priced at Rs. 368 per month which includes NCF charge. In this pack, user will get 61 channels and services from Tata Sky.

**Telugu Lite Pack** - Telugu Lite pack is one of the regional lite packs which is priced at Rs. 199 per month including NCF. In this pack, user will get 17 channels and services.
