### In brief

We all loving playing games on our smartphones and there are thousands of Android games available in the Google Play Store. You can find a huge collection of games for your Android phones easily without any problem.

We all loving playing games on our smartphones and there are thousands of Android games available in the Google Play Store. You can find a huge collection of games for your Android phones easily without any problem. But, it would be a difficult task to find the real gems. Are you really bored with your already installed games on your phone and looking for something new? If yes is your answer, then here is the list of top 5 Android Games for June 2019 available for you.

## PUBG Mobile

PUBG is one of the famous PvP battle royal games which have a huge fan following all around the world. This game is mainly based on player vs player game with many unique features which can help you in playing as a single player, a team of 4 members or in a pair. This game offers a realistic gaming experience. You can also choose to play a classic mode or arcade one simultaneously. There is also a feature of selecting your favorite map for playing the match. In a classic mode, you would compete against 100 players playing from different countries whereas in arcade mode, the tournament time period is short and only 28 players can participate in a game at a time.

The best thing about this game is that it helps in engaging various players within a map which is fully loaded with many vehicles to move and several modern weapons. Make sure you are focusing fully on this game because your single mistake would lead you towards miserable death. If you are playing in a team or as a single player, you should play your role in making a decent strategy to overcome any fatal situation.

This game is free to play and available in your Google Play Store.

## Asphalt 9 Legends

Do you have Asphalt 8 series in your smartphone which has knocked out several other racing games from Google Play Store? Asphalt 9 legends are one of the popular car racing games launched by Gameloft. The best thing about this game is it is free to play and you do not have to pay any charge. You would be able to drive through the various exciting and tough tracks with real-time driving techniques and cinematic graphics. All those cars which you are not able to buy in the real world, this game allow you to play with those cars and make your dream come true. You can earn maximum coins and points by going through the career mode. These coins and points would help you in buying top speed and advance cars with many customization features. This game is also free to play for the users.

Get it from Play Store

## Brawl stars

It is a new Supercells free multiplayer Android game where players are ranked by their trophies and level. In this game, every player collects brawlers and chose one for using the game. Brawl Stars is a high-end graphics game with the top features and attractive graphics which allow you to select your favorite character; cactus, ninja, and wrestler. There are only 22 characters in this game with great voice acting and awesome animation. If you want to unlock brawlers, then you need to earn more points or make sure you are earning more cash to unlock brawlers.

In this game, there are many modes which rotate after some time so that you would get something new to play while logging into the app. Each game mode is full of fun due to its unique features and you would surely enjoy playing it for sure. It is a well-made game which has received a major update that has changed the graphics with a new 3D-style design which is looking more attractive and beautiful. The only downside of this game is the card collecting and create unlocking aspect.

Download From Play store for Free

## **Pokemon Go**

It is a global gaming sensation which has been downloaded more than 20 million times worldwide. This real-time augmented reality-based game is famous all around the world due to its brawling and fancy characters. It is one of the most successful games of all times and broken many records. If you want to play this android game online, then you should have a good internet connection for sure. Just install this free Android game which would allow you to go anywhere through the city to enhance your energy power and team to face various rivals. It features many great social events such as raids and trainer battles which allow you to battle your pals with the help of your chosen Pokemon.

Download Pokemon Go From Play Store

## **Smash hit**

Do you know about the temple run game which got highly famous worldwide due to its unique running chase and challenges? The smash hit is also a popular game like temple run but you need to run it and try to smash everything whatever comes in your way. There is an option for you to select from a type of rooms and enjoy running and listen to nice music. Make sure you are focusing and concentrate more to break glass objects by using balls. These balls would be limited in the starting but you can earn more by meeting various targets easily without any problem.

This target shooting game is really fun to play in 2019 where you just have to tap on the screen to shatter various glass obstacles. The game would be over once you lost all your marbles. In every section, there are fresh marbles which can help you to keep going. So, makes you are keeping your marble safe to be on the game.

This game is available on Google Play Store and it is completely free.

Finally, you are completely aware of the top 5 Android games available for your phone. So, make sure you are downloading the above mentioned top android games for June 2019. These games are really fun to play and you would enjoy playing in your free time.
