## In brief

For regular TikTok users, TikTok coins is not a new term. However, for those unfamiliar with TikTok and the new tiktok users, the TikTok coins might be new.

For regular TikTok users, TikTok coins is not a new term. However, for those unfamiliar with TikTok and the new tiktok users, the TikTok coins might be new. In this article, we are explaining, in simple words, what the TikTok coin is, the use of TikTok coins, how to use the Tiktok coins, etc.

## What is TikTok Coins?

TikTok coins are virtual currency available within the TikTok app to make in-app purchases. Those are credits/points that can be collected and purchased to buy the services and gifts within the TikTok app.

TikTok coins have validity only within the TikTok app, and those coins cannot be used outside the app. In short, TikTok coins are virtual credits available within the TikTok app to purchase gifts and services within the TikTok app.

## What is TikTok Coins For? Use of TikTok Coins

As mentioned before, the TikTok coins are used to buy services available within the TikTok apps. Following are the few use case of TikTok coins.

1. TikTok Coins can be used to purchase gifts gifted to the content creators.
2. TikTok coins can be used to promote videos and get maximum reach.
3. TikTok coins can be used to advertise and promote TikTok content for Content creators as a part of the TikTok marketing .

## How to get the TikTok Coins

Since TikTok coins are virtual money used to get services from the TikTok app, the TikTok coins can be purchased only with real money. So you need to buy the TikTok coins using real cash only.

You can purchase the TikTok coins from the TikTok app itself. To view the available coins with the TikTok account, go to the profile section and then the settings. Now click on the Balance option. There the available coins will be listed under the Coin Balance.

To add more coins to your TikTok account, tap on the Recharge option. There you will see different options available with different amounts for recharge. Select your choice and proceed with the payment using a credit card or PayPal.

Once the payment is made, the coins will be added to the TikTok coin balance, which you can use further to purchase gifts and promotions.

Following are the tikTok coins recharge options available.

- \$0.99 for 65 coins
- \$4.99 for 33 coins
- \$9.99 for 660 coins
- \$19.99 for 1321 coins
- \$49.99 for 3303 coins
- \$99.99 for 6607 coins
- \$249.99 for 16500 coins

## **Conclusion**

Even though the TikTok coins are paid service, and you need to pay some amount for that, we cannot say that TikTok coins are free. However, we can see that some website and third-party services are offering free TikTok coins and TikTok coin hack services. But till now, we couldn't find any legitimate way to get free TikTok coins.

We will continue checking the same, and once we get a legitimate TikTok free coin service or option, it will be updated here.
