In brief

The world didn't even get time to realize, and in a blink of an eye, social media has become an unavoidable daily habit. No matter where an individual comes from, worldwide, over 4.26 billion of us are using different Social Media platforms.

The world didn't even get time to realize, and in a blink of an eye, social media has become an unavoidable daily habit. No matter where an individual comes from, worldwide, over 4.26 billion of us are using different Social Media platforms. Some use Social Media platforms to engage with others, some to stay socially updated, whereas others simply to pass the time.

Even though there are a lot of active and popular social media platforms, the one we will discuss today is 'BeReal.' So, What is BeReal? BeReal is an innovative social media platform encouraging users to be themselves.

BeReal was first launched in the year 2020, but it started gaining popularity in the year 2022. This relatively new social media platform is known for its safe and authentic social media experience, as per what it promises. BeReal has various features, including anonymity, no data collection, end-to-end encryption, and more.

In addition, the platform is easy to use, catering to users of different ages and technical skill levels. However, what's confusing individuals the most is the question, "How to Delete BeReal Account"?

Deleting the BeReal account is pretty simple; however, not everyone may know the 'How.' That is why we have brought this article with the Step-by-step process of deleting your BeReal account. Further, we will also discuss other important aspects that new BeReal users are wondering about. So, let's get started.

What is BeReal?

BeReal is one of the latest social media platforms which is gained immense popularity worldwide. By February 2023, BeReal had built a user base of more than 10 million daily users. Its mission is to build a community that celebrates realness, encourages self-expression, and creates safe spaces for individuals to share their stories.

With features like private messaging, detailed profiles, and content moderation tools, BeReal is the perfect platform to connect with like-minded people and build meaningful relationships. As per claims, no one, including BeReal itself, can access users' private data (nor does it collect any data).

What distinguishes BeReal from other social media apps is its emphasis on creating and maintaining meaningful connections between its users. It allows users to post without the fear of being judged and encourages meaningful conversations. Unlike other social media apps, BeReal does not allow anonymous posting, which helps to reduce the potential for trolling or cyberbullying. Additionally, BeReal has built-in safeguards to ensure users post responsibly and do not engage in inappropriate behavior.

Creating an Account in BeReal: Step-by-Step Process

Creating a BeReal account is a quick and easy process, and here is the Step-by-Step for the same. Have a look:

step 1: First, visit <https://bere.al/en> or download the BeReal app from Google Play Store or Apple Store.

Step 2: Install and launch the BeReal app. Then, click on Continue and Enter your name.

Step 3: Enter other details, including your Date of Birth, Mobile Number, etc. You will receive an OTP on the registered mobile Number. Input that 6-digit OTP into the given space.

Step 4: Now, set an alphanumeric Username (Unique) and tap on Continue. Your BeReal account is now ready to use.

BeReal is available for both Android and iOS users.

Can You Delete Your BeReal Account?

Yes, you can delete your BeReal Account at any time, and it is a pretty straightforward process. If you've tried BeReal and are unsatisfied after using it, simply deactivate your account and move to another social media platform.

However, remember that deleting your BeReal account will permanently remove all your data and memories, including messages, posts, reels, and personal information you once uploaded on the platform. You can save the data on your camera roll, but the application, once deleted, will no longer secure any of it.

Here you go if you are still sure about deactivating your BeReal account.

How to Delete BeReal Account?

Steps to delete BeReal Account on Android

Step 1: Open the BeReal app and tap your Account icon from the top right.

Step 2: Then tap on the three-dots icon on the top-right corner of the screen.

Step 3: Now select Contact us and tap the Delete my account option.

Step 5: Further tap on the Yes, I'm sure to continue the process to delete the account permanently.

Steps to delete BeReal Account on iPhone

Step 1 Open the BeReal app and tap the Account icon from the upper right side.

Step 2 Then tap on three dots beside your account icon and tap on Help.

Step 3 Now tap on the Contact us option and tap on Delete Account; press. Yes, I'm sure to continue the process.

Step 4 Later, uninstall the BeReal app from your device.

Note: BeReal's privacy policy suggests that once you attempt to delete your account, it will take 15 days for all your data and account to be permanently deleted. We would like to remind you that after deleting your account, you will be logged out, and the app will hold your account for 15 days. And you can regain access to your account if you log in within the next 15 days; thus, before you delete your BeReal account, back up all your information, data, and memories on your device.

If it isn't known to many users, even when you delete your BeReal account, the conversations, posts, or photos you have shared with other users will still be visible. Deleting the data you have shared with someone else is out of your control.

Can someone see if you screenshot their BeReal?

BeReal doesn't notify the user if you screenshot something from their profile. However, when you screenshot anything from a user's profile, the user can know that simply by viewing the picture. As the user opens the app, all details, including which picture was screenshotted and who took the screenshot, will display for them.

A square-like box appears the above/ under your photo revealing who and the number of users who took the screenshot.

Wrapping up

BeReal is a new and innovative social media platform that is here to stay for a long time. Its safe and authentic social media experience has gathered a huge user base within no time. It encourages users to share their authentic thoughts and feelings and connect with others meaningfully. With its focus on being real, BeReal will make a lasting impact on social media.

While creating an account on BeReal is easy, deleting your account is an equally straightforward process. Once you are done with the application, you can permanently delete/deactivate the account without worrying about your personal information being left behind. BeReal respects its users' privacy and rights, and this responsible user behavior will take this platform far in growth.
