### In brief

After 9 months of beta testing, Windows 10, the brand new version of Windows OS is out now. As told earlier, the new OS will start rolling out freely to all Windows 7, 8 and 8.1 users from today on-wards.

After 9 months of beta testing, Windows 10, the brand new version of Windows OS is out now. As told earlier, the new OS will start rolling out freely to all Windows 7, 8 and 8.1 users from today on-wards.

(Also see : [Microsoft will starts to Roll Out Windows 10 From July 29 Onwards](#))

The rolling out process will be on a queue basis and all the users will not get the update instantly, For this users might have to reserve their free copy and wait for the notification from windows for the update.
